How it all Works

- **Call or stop by Generations to book your photo session and Portrait consultation.**

A \$30 deposit, to hold your date, is due at this time. Credit cards can be accepted over the phone. If paying by cash or check, please schedule your appointment in person. The \$30 deposit will be applied toward your Session.

Clothing: Avoid clothing with words, logos, stripes, and patterns, as they can be distracting in the overall image.

Hairstyles: Wear your hair the way you like it best. New styles are great, but make sure it is what you want before your portrait session. Very light spray will help loose ends that may pick up light and show.

Make Up: We recommend that you wear your make up no heavier than you would for an evening out.

- **Day of Your Portrait Session**

At this time the balance of your Session Package is due.

Arrive a little early so you can relax and not feel rushed.

What if it Rains? In the event of bad weather we will reschedule your appointment for the next convenient opening.

- **The Preview Session**

In 3 to 5 business days your photos will be ready to view. We will schedule a time for you to return for your order consultation or set up a gallery for online ordering.

- **Order Consultation**

During your order consultation we will present your image selections at an appropriate size. This allows you to feel the full impact that each image projects. Final decisions on portraits, sizes and quantities are made at this time.

A payment of 50% of the total balance is due in order to begin processing your order.

Payment plans are available for orders over \$300.
