• Call or stop by Generations to book your photo session.

A \$30 deposit, to hold your date, is due at this time. Credit cards can be accepted over the phone. If paying by cash or check, please schedule your appointment in person. The \$30 deposit will be applied toward your Session.

• Day of Your Portrait Session

At this time the balance of your Session Package is due.

Arrive a little early so you can relax and not feel rushed.

What if it Rains? In the event of bad weather we will reschedule your appointment for the next convenient opening.

• The Preview Session

In 3 to 5 business days your photos will be ready to view. We will schedule a time for you to return for your order consultation or set up a gallery for online ordering.

A deposit of 50% of the total balance is due in order to begin processing your order.

Payment plans are available for orders over \$500.

Add a Family Portrait to any Session No Charge!

•Planning your Portrait

While not required, we recommend you come in for a pre session consultation. The time and energy you invest will have its own reward at the completion of this unique portrait experience.

Clothing: Please bring a wide variety of outfits. Make sure to include one long sleeve shirt, your favorite outfit, something fun and different, and two backup outfits. Avoid clothing with words, logos, stripes, and patterns, as they can be distracting in the overall image.

Accessories: jewelry, hats, belts, scarves, anything you might wear to finish your outfit.

Hairstyles: Wear your hair the way you like it best. New styles are great, but make sure it is what you want before your portrait session. Very light spray will help loose ends that may pick up light and show.

Make Up: We recommend that you wear your make up no heavier than you would for an evening out.

Glasses: If you have Transitions lenses, please let us know. The studio strobes will darken the lenses during your shoot. This way we know to let them rest.

Props: We can work with anything. If you like it, bring it in: uniforms, awards, a collection, cars, instruments, hats, sports equipment, anything that represents you!

Sun: Don't overdo the sun for your portraits. It looks great but use in moderation. Strap marks show as white marks on exposed skin and may be expensive to retouch.

Pets: If you wish to have your pet in some of your poses, we ask that you let us know in advance. Have someone with you to help care for your pet.
